W. T. Junkin, Esq.,
61 Sussex Avenue,
Toronto.

Dear Mr. Junkin:

Many thanks for your letter in which you have taken the trouble to let me know that you agree with my view in the controversy as regards the German professors. My own desire is that they should be treated fairly. If the Province says that no German is to be employed then I accept the position and of course the professors must go, but until the Province has taken that attitude I do not believe that we should drive them out for anything that they have said or done.

I am glad to know that you have a daughter at the University and that your son is likely to come. I hope that they will both enjoy their academic work. With kind regards, I am,

Yours sincerely,

President.
